

Marian Anderson & Library Host Student Art Exhibit to Initiate Commemoration Project

Sixty-five Blue Earth County students of all ages were nominated by their art teachers to participate in an art exhibit on August 28th hosted by Mankato Artist Marian Anderson and the Blue Earth County Library. The formal exhibit was an opportunity for area students to meet Marian Anderson and to receive recognition for their artistic talents. The exhibit also launched a larger project where Anderson will work with a select group of 27 exhibit participants during the school year to paint a mural for the Library commemorating Blue Earth County's 150th Anniversary. "There will be several opportunities and initiatives to commemorate the settlement of our area, and this is a great way to get youth involved in both the celebration of history and art," says Anderson.

Congratulations to all of the students who were nominated to participate in this art exhibit!

(Grades/schools indicated are from 2000-2001 school year.)
