

MEMORANDUM

TO: Environmental Services Advisory Committee Members

FROM: Dave Kronlokken and Scott Fichtner

SUBJECT: Tour of LJP Enterprises of North Mankato

DATE: November 17, 2011

Tour of LJP Enterprises of North Mankato:
4:00 PM, November 17th
(Location: 2160 Ringhofer Drive, North Mankato)

Please note the later start time to allow time for travel

At the September meeting of the Environmental Services Advisory Committee, we had a presentation from Larry Biederman, president of LJP Enterprises. He described his specialty recycling and hauling business. This month, we will get a tour of LJP Enterprises newly constructed facility in North Mankato.

As part owner of the Minnesota Waste Processing Company, and as contract operator of the Ponderosa Landfill for Blue Earth County, LJP Enterprises is a significant partner in the Blue Earth County Integrated Waste Management System, in addition to their business as a specialty recycler and commercial waste hauler. For years, they have operated out of offices in St. Peter, and maintained facilities in several locations. The new facility in North Mankato gives LJP Enterprises an opportunity to consolidate much of their operations into one location. This tour will provide ESAC members a chance to see this new facility and ask questions about LJP Enterprises operations

ESAC members should meet outside the LJP Enterprises facility at 4:00 on Thursday, November 17. The facility is an industrial environment, so please dress appropriately. Clothing may get dirty, and foot protection is advised (avoid open-toed sandals, flip flops, etc.) You will be provided hard hats and safety glasses for the tour.

Directions: A map to the facility is attached. The facility is located north of Highway 14 in upper North Mankato. From highway 14, take the Lookout Drive exit and go north. Ringhofer drive is the second street on the right. LJP is at the end of the road.

We would like to know how many to expect, so please contact Vickie Finnegan, 507-304-4301, by 5 p.m on Wednesday 11/16/2011 if you are not able to attend.

If you have questions about the tour or meeting, please contact Vickie Finnegan, 304-4301.
