

SHIP Community Leadership Team

Responsibilities and Duties

1. Provider guidance and oversight of SHIP activities within Blue Earth County.
2. Act as the governing board for all SHIP activities within Blue Earth County.
3. Act as the support system for the County Steering Committees.
4. Review and select interventions appropriate to Blue Earth County communities and populations.
5. Provide the County Steering Committees with a concise list of interventions and instructions on intervention selection.
6. Actively attend and participate in Community Leadership Team (CLT) meetings and in the community assessment process.
7. Actively participate in the County Steering Committee recruitment and select of committee members.
8. Demonstrate a high-level commitment to the initiative by expressing willingness to invest expertise, leadership, personnel, and other resources in the success of SHIP. (This can be achieved by writing a commitment statement annually).

9. Select leadership roles (Chair, Vice Chair etc.) within the CLT.
10. Adhere to CLT bylaws.
