

## SHIP County Steering Committee

### Responsibilities and Duties

1. Review and select interventions which are specific to Blue Earth County.
2. Provide assistance with community assessment and evaluation activities.
3. Provide guidance and oversight of SHIP interventions within Blue Earth County.
4. Provide Community Leadership Team (CLT) with monthly report.
5. Act as a support system for contractors, mini-grantee recipients and purchase of service recipients.
6. Review and select interventions appropriate to Blue Earth County communities and populations.
7. Actively attend and participate in County Steering Committee (CSC) meetings and activities.
8. Demonstrate a high-level commitment to the initiative by expressing willingness to invest expertise, leadership, personnel, and other resources in the success of SHIP. (This can be achieved by writing a commitment statement annually).

9. Select leadership roles (Chair, Vice Chair etc.) within the CSC.

10. Adhere to CLT/CSC bylaws.
